Design savings
toward security?

be redirected

Need more comm/ space
to offset

→ if fewer beds, keep
community space!

→ perhaps start smaller, maintaining
contingent space and expand
if needed

→ possible to consider North side
of site?

Lighting? is it helpful to have
bright lights around?

esp. on Beale 300 Beale St
good example

Access? Emb

Where is fire exit? Emergency Access only?
- Beale

→ what about greater offset
from sidewalk

Feedback on
Parking!

- Glass to look good
- cosmetically consistent
w/ neighborhood
- need mature plants

Plants not a good idea

→ Graffiti abatement is
important

Anti-Graffiti coat is key
getting started too

Parking Lot

Early F/U

PII Grant for area
effort (can't data for area?)
to be available?

Info on other sites
use of emergency exits?
Are we inspecting exterior
fire stairs/light alarms

Color palette

Blend w/

Bayview Village

- Brampton Red
- warm blue
- bayview green
